

BOARD OF DIRECTORS APPLICATION

The Saginaw Community Food Club and Kitchen (Food Club) strives to recruit board members representing a diverse background. Board positions are open to all and will be vetted through the process set up in the bylaws. We seek to maintain equitable representation across our geographic service area of Saginaw County.

Board members own an important and vital role in our organization as community liaisons, seeking opportunities for advocacy, fundraising, and networking. Board members bring their input and knowledge to the table and contribute to discussions of the organization's mission, vision, values, and strategy.

Applications are reviewed on a rolling basis by the Food Club's Nominating Committee and as positions become available. This application does not constitute an invitation to join the Board of Directors. The Food Club also offers non-Board volunteer committee opportunities. Please visit the Volunteer Application for those opportunities.
